Last Updated on 16-Sept-2023

After filling the mandatory details next click on the Declaration checkbox and next **Save** the Form Successfully.

N.B: After Clicking Fetch previous Application Button if system shows **Previous Application Not Found** then go for Fresh Enrolment (Click on Search).

The screenshot shows the 'Beneficiary Management Ecosystem' interface for the 'Govt. of Tripura'. A modal message from 'bmsuat.trsc.nic.in' states 'Previous Application Not Found.' with an 'OK' button. The user is logged in as 'Maker' in the 'Maker_Demo' office. The 'Scheme Enrollment' section has a 'Ration Card Number' field containing '161000523588'. The 'Fetch Previous Application' button is highlighted. The footer includes a disclaimer and the date 'Last Updated on 16-Sept-2023'.

Fresh Enrolment:

As it has been found that there is no application available with this ration card previously so the student will apply for the scheme first time (**Fresh Application**).

So for fresh enrollment enter the 12 Digit Ration card number and click on search. System will search the Ration Card database and display the list of family members found in the given Ration Card. Maker (INO) needs to Select Student's name from the list of members.

This screenshot is identical to the previous one, but with an annotation. A purple oval containing the word 'Click' has an arrow pointing to the 'Search' button in the 'Scheme Enrollment' section. The 'Ration Card Number' field still contains '161000523588'. The footer remains the same with the disclaimer and update date.
